

Dear Parents

During this special time of Lent, we have been encouraging all students to donate to Project Compassion to raise money for Caritas Australia, who support various programs in Australia and developing nations.

In continuing our support for Caritas' Project Compassion appeal, the Primary school will once again be conducting our annual Easter raffle fundraiser. This fundraiser relies on the generous donation of Easter eggs by our Newman College families. The donated eggs are then assembled into hampers as prizes for the raffle.

In our efforts as a Catholic school community to address social injustices, we ask families to consider purchasing "slavery free" brands of chocolate.

We would also greatly appreciate the donation of any baskets or appropriate containers that can be used in assembling the prizes. Donations of eggs and baskets can be handed in at the Marian or Lavalla Administration office.

Separate raffle draws will be conducted at both Primary campuses on Thursday 6 April. Tickets will be distributed to students Monday 13 March and additional tickets will be available from the office on both campuses. Tickets will be 50c each or 6 for \$2.50.

If there are any parents who can assist in assembling and wrapping the prize baskets, please let me know via email, [jane.short@newman.wa.edu.au](mailto:jane.short@newman.wa.edu.au)

Yours sincerely

Jane Short
