FOR NOTE:

- Students have been reminded to pack strictly according to the packing guidelines provided by Outdoor Discoveries. Details can be found by clicking on this link [Outdoor Discovery](#)
- Students must pack all their items into a sport/duffle bag with all items clearly labelled.
- Ensure that equipment you do not want to get wet (eg; clothing and sleeping bags etc) can be waterproofed by putting them in big plastic bin bags.

Challenge — Collaborate — Create — Celebrate

- Outdoor Discoveries will be providing **all food** for the week, except recess for Day 1. Students should not pack their recess in their equipment bag. They must bring it with them on the bus.
- Please do not bring any additional food due to student allergies. Note that this is a strictly **NUT FREE** camp.
- Students are **not to bring their mobile phones/air pods**, or any additional food. Go-Pro's and cameras (disposable preferable) are permitted.
- **MEDICATIONS:** Please ensure that any medication is given to their PCG tutor in a clear zip lock bag with the students name and instructions for the medication before departure.
